

FFS Trauma Treatment Clinician

Why Choose to Practice at St. Mary's Home for Children's Outpatient Department?

Here's what our Clinicians said:

"I am able to practice social work at a highly supportive level. Whether providing trauma specific treatment, attending a school meeting, or advocating within various systems of care, the St. Mary's Outpatient Department supports my work to help individuals and families reach their goals."

"I continue to work at St. Mary's because of the strong working relationship I have with my supervisor. I have learned so much as a clinician and feel that I have grown so much over the years. My supervisor cares about me as a person as well as a professional."

"I have stayed at St. Mary's because of the level of support I receive from my supervisors and teammates. Everyone is not only committed to the work we do to help our clients and their families heal from trauma, but also to supporting each other. It's a fun, spirited team and the flexibility in terms of scheduling work hours has been amazing, especially over the past year and a half."

The Outpatient Department, known as The Shepherd Program, at St. Mary's Home for Children was established in 1985 to provide outpatient treatment and support to survivors of sexual abuse and their families. Since then we have grown to provide a myriad of innovative clinical services to children, adults and families. The Outpatient Team is 50+ strong and continuing to grow. We are a team of dedicated, humble and talented clinicians and care coordinators who are committed to supporting healing, wellness, and mental health. Our Department values self-care, reflection, and life-work balance.

We are currently hiring **office-based clinicians**, with experience in providing treatment to children, teens and adults who have experienced sexual abuse and/or sexual exploitation. This is a fee-for-service position.
